TAB 14 Discussion: Rule Change Proposal from Amie Rice, Bureau of Enforcement

- 64B11-4.006 Mediation
- 64B11-4.005 Citations

The Bureau of Enforcement requests the Board amend the noted rules to allow resolution of additional violations by mediation and citation. These changes are proposed to increase mediation authority for minor violations, thus eliminating costs of service, investigation, prosecution, and compliance for successful mediation, as well as change citation authority for second time violations or instances where mediation is unsuccessful. In addition, with the CE at Renewal changes, this allows mediation for continuing education violations until continuing education is required to be documented for renewal, and eliminates the citation rules regarding continuing education:

After discussion, the Board agreed to accept the proposed concept for rules 64B11-4.006 Mediation, 64B11-4.005 Citations, F.A.C., and directed Board Counsel to draft appropriate language based on discussion and clarification provided by Ms. Rice and present at the February 24, 2014 board meeting.
